New Online Registration & Parent Portal

We are excited to introduce our new online system, which will provide families with a more streamlined experience for registration, payments, and ongoing communication through the Parent Portal throughout the season.

All families will be asked to place a credit card on file when completing registration. **Tuition will not be charged at the time of registration.** Rehearsals begin on **September 1**, and tuition will be charged to the card on file on **September 2** unless payment by check has been received no later than the first rehearsal.

Need-based financial assistance: Families applying for assistance will also place a credit card on file during registration and should promptly submit the scholarship application available on our website. The card on file will not be charged until the scholarship award has been determined and accepted by the family. Scholarship applicants will be required to pay a 10% tuition deposit after the first rehearsal.
